

SUCCESS STARTS HERE

ASSOCIATE DEGREES

 60 CREDITS

 4 SEMESTERS, FULL-TIME

PROGRAMS

Associate of Arts (A.A.)

Associate of Science (A.S.)

Associate of Applied Science (A.A.S.)

A.A.S. Concentrations available in:

- Business
- Information Technology

A.A.S. Degree available in:

- Registered Nursing

WHAT CAN I DO WITH AN ASSOCIATE DEGREE?

- Complete a Bachelor's degree at Donnelly or another institution
- Enter a specialized training program
- Enter the workforce (*A.A.S. degrees are designed to enter the workforce, but may also be obtained by students who plan to pursue a Bachelor's degree.*)

THE PERFECT PLACE TO START

Associate degrees typically require two years, or four semesters of full-time study (part-time option is available). Rooted in the liberal arts, students develop critical thinking and other skills that are useful in every workplace environment.

At Donnelly you'll get the academic and social support you need to succeed in college. Join us at Donnelly if you want to:

- Enjoy a small campus experience where you are part of a caring and diverse community
- Spend less by choosing an affordable private education
- Follow your dreams
